Dear Trupti Khatavkar,

Congratulations! I am pleased to inform you of your admission to Arizona State University to study in the Software Engineering (MS) program, offered at the ASU Polytechnic campus for the 2018 Fall semester.

Important: Your department has determined that you must successfully complete the following course(s) or equivalent(s) with a grade of B (3.0). Your progress will be monitored by the academic unit.

CSE240-Intro to Programming Languages by the end of your first year

Important: For detailed information regarding I-20 requirements, please visit MyASU: at my.asu.edu and the International Admissions Services website at graduate.asu.edu/admissions/international.

To maximize the many resources available to you, please familiarize yourself with ASU's online student information and services at my.asu.edu. You can access this page by logging in with your new ASURITE UserID and password. This site will be a valuable tool for you as you move through your degree program at ASU.

Arizona State University and Software Engineering (MS) program are committed to assisting you in your exploration of the tremendous resources and opportunities at ASU. Should you desire additional information, you may contact your department at cidse.gradpoly@asu.edu or at (480) 727-3520.

ASU embraces integrity in all scholarships, research and creative endeavors. It is our expectation that you will review and abide by ASU's policies related to academic and research integrity (provost.asu.edu/academicintegrity and researchintegrity.asu.edu respectively).

As a New American University, ASU believes that your education should be not only transformative for you, but also for society. I encourage you to learn more about what this means to you by visiting the ASU website at newamericanuniversity.asu.edu. I also urge you to watch this brief video to find out how current students describe the Sun Devil experience: yourfuture.asu.edu/culture.

We look forward to you joining the ASU Sun Devil family. I wish you every success in your graduate studies at Arizona State University.

Sincerely,

Alfredo J. Artiles

Graduate Studies

Hello Kiran,

I am pleased to notify you of your admission to the Computer Science MS program at the University of Massachusetts Dartmouth for the Fall 2019 semester. Separately, an official acceptance letter will be emailed and mailed to your address on file. The first day of classes for the Fall 2019 semester is Wednesday, September 4th, 2019.

Please email the program representative copied at the bottom of your forthcoming official admission letter to discuss course selection and academic planning if needed.

Before an I-20 can be issued, you will need to supply financial documents showing you have financial means to cover the yearly cost of education and the living expenses. Please read the enclosed forms carefully and return them along with a copy of your passport to us as soon as possible via email to graduate@umassd.edu.

You can register for classes and gain access to the health services portal only after you notify us that you intend to enroll and your I-20 has been issued. Registration opens on April 1; new students may register for classes at any time during the registration period. We encourage you to register early as some classes do fill up quickly.

Congratulations and kind regards,

Tracy Sousa

The EIT Digital Master School is pleased to inform you that you have been accepted as a degree student to the EIT Digital Master's Programme in **Embedded Systems** starting autumn 2021.

You have been accepted to the programme with the following study track:

Entry University: University of Turku
Exit University: Technical University of Berlin—Embedded Multicore Processing

Admission to the programme is under the condition that you present the final original Transcript of Records and Degree Certificate/Diploma upon enrolment at your entry and exit university. For specific matters regarding this condition, please contact your entry university. Contact details can be found here.

Andrea Paoli
Head of EIT Digital Master School

The EIT Digital Master School is a cooperation between

1. The programme study period is equivalent to full-time studies from autumn 2021 to summer 2023 (4 semesters) and amounts to 120 ECTS. Geographical mobility (predefined entry and exit year) is compulsory for the students. The language of instruction is English.

2. You will receive an official Letter of Admission from your entry university with information about how to apply for a student visa/residence permit, important dates, accommodation, enrolment, etc. You are expected to arrive in time and commence the studies according to their instructions.

3. The tuition fee for the programme is €14.000 per year for non-EU/EEA/CH students and €1.500 per year for EU/EEA/CH students, which is to be paid before the start of each semester to the EIT Digital Education Foundation. The total participation cost for the two (2) academic years is €28.000 for non-EU/EEA/CH and €3.000 for EU/EEA/CH students. An invoice will be sent separately.

4. Upon enrolment at the entry university, you will be requested to sign a Student Agreement which regulates the rights and obligations of the parties, i.e. EIT Digital and the student.

5. As a future student you are responsible for acquiring a student visa/residence permit well in advance (if applicable). We recommend that you prepare all required documents for your visa application such as health certificates, police certificates, copy of high school diploma, etc. in regards to your allocated entry and exit countries. Contact the appropriate embassy in order to receive further information about the residence permit application procedure and start processing the residence permit immediately after receiving the Letter of Admission. Check if a transit visa is needed for intermediate landing when traveling.

6. EIT Digital students are covered by the insurance provided by the Swedish state (Kammarkollegiet). The insurance, including emergency medical and dental care, is valid in the European Union countries, in EU-candidate countries and in the EEA/EFTA countries (restrictions for EU-citizens apply). For terms and conditions, we refer to the insurance certificate, provided separately.

7. At the end of the study period, degrees will be issued by both entry and exit universities to students who have successfully fulfilled all requirements for both universities, provided they have presented their final original Transcript of Records and Degree Certificate/Diploma.

8. Having successfully fulfilled all study requirements, in addition to the two degrees, you will be awarded an EIT Label Certificate. The EIT Label Certificate emphasizes all characteristics of the educational programme and all its compulsory events, e.g. participation in winter/summer schools and the organizational mobility required by the final degree project.

9. In the case of study delays after the two nominal years, the studies may be finalized only under the conditions of the exit university.

10. The EIT Digital Master School is an action line within EIT Digital. EIT Digital is one of the first three Knowledge and Innovation Communities (KICs) selected by the European Institute of Innovation & Technology (EIT) to reinforce the innovation capacity in ICT in Europe. The EIT is a body of the European Union.

11. All commitments in this letter are conditioned by the continued funding of EIT Digital by the EIT.

Dear Vishwas Rajendra Gaikwad,

Thank you for your interest in pursuing a Master of Science in Electrical Engineering at the University of Colorado Denver.

I am happy to inform you that the Department Graduate Committee approved your application for admission to the Electrical Engineering program beginning spring semester of 2020.

To fulfill the requirements for the MSEE degree, the EE department at CU Denver requires that, within a five- year period, a candidate complete an approved program in one of two options: (a) a thesis option consisting of at least 24 graduate credit hours of coursework, 6 MS thesis graduate credit hours, and completing a MS thesis, or (b) a course only option consisting of at least 30 graduate credit hours of course work, as well as 1 semester of the CEAS seminar.

Please note that only a total of 9 graduate credits can be transferred from other universities to count towards your Master of Science in Electrical Engineering. Also, you are required to begin attending classes the first day of the semester. Based on your stated primary area of concentration within Electrical Engineering, your academic advisor is **Dr. Fernando Mancilla-David**, who may or may not also serve as your research advisor.

This approval does not guarantee or imply financial support. Any questions regarding financial support should be addressed to your advisor. Congratulations on your admission to our MSEE degree program. The faculty and I look forward to your participation in our program.

Sincerely,

Dr. Stephen Gedney

Dear THAKKAR PARTH KIRANKUMAR,

Thank you for your continued interest in studying at the University of Maryland, Baltimore County (UMBC). Your request to defer until another semester has been processed and you are now admitted for your new academic semester. In order to find out when you can register for classes, visit the Academic Calendar (http://registrar.umbc.edu/academic-calendar/) on the Registrar portion of our website. By clicking "PDF Calendars", you can view an easy-to-read list of term dates and deadlines for each semester. The field titled "New Graduate Student Registration Date" under your term marks the beginning of registration.

If you have not already done so, please contact your Graduate Program Director or Program Coordinator regarding program-specific orientation and academic advisement for your first semester's course selection. If you are subject to prerequisites or other terms of admission, the department to which you have been admitted will notify you directly. The Graduate School Catalog, Schedule of Classes, Policies, and Procedures are available at our website (http://gradschool.umbc.edu/).

UMBC's Office of International Education Services (IES) will issue your new I-20 automatically if you have already submitted financial documents. If additional documents are needed or no financials have been submitted they will reach out to you. If you have additional questions about your visa situation after you initially contact them, please e-mail your inquiry to the IES office at ies@umbc.edu.
If you have other questions or need assistance, please contact the staff of the Graduate School at 410-455-2537 or gradschool@umbc.edu . Congratulations on your acceptance and best wishes in your academic pursuits.

Sincerely,

Dear Shri Chaitanya,

Congratulations! You have met the requirements for admission to the Business Analytics master's program at The University of Texas at Dallas' Naveen Jindal School of Management for the Fall 2018 semester. We share your excitement as you begin this next stage in your educational career. The Jindal School of Management academic advisors will be here to assist you with any questions or concerns you may have regarding your academic progress throughout the course of your program.

Please note that as a graduate student, you carry certain responsibilities that may not have been present in your undergraduate experience.

- As part of your degree program prerequisites, you will need to complete a one credit hour Professional Development course. Details on the course can be viewed on the Jindal School of Management page.
- Additionally, our records indicate that you must meet the calculus prerequisite requirement by completing Quantitative Foundations of Business, within your first semester with a grade of B or better. If you are in doubt of your ability to successfully complete the requirement, you may wish to reconsider your decision to enroll in classes. Please feel free to visit with one of the graduate advisors for help with this decision.
- Plan time to visit the Advising Office to review the requirements of your degree plan and to remove your advising hold. Please try to plan several visits while you are a student.

Be aware of the information contained in the Graduate Catalog and on the Academic Calendar. Failure to read them does not exempt you from the rules and regulations therein pertaining to your academic experience.

- You will also receive information about the Jindal School of Management's Graduate Orientation program, please make it a priority to attend this important event.
- When you reach the final semester of degree plan requirements you must fill out a graduation application by the posted deadline of your graduating semester. Failure to apply for graduation by the applicable deadline will delay your graduation by a semester.

Our faculty and staff look forward to assisting you during your educational journey. We are confident that your experience at UT Dallas will include a welcoming environment, an intellectual challenge and a first-rate faculty in your field of study.

Sincerely,

Monica S. Powell, Ph.D.

Dear Mr. Joshi,

The Industrial Engineering program has recommended that you be admitted to graduate school at North Carolina State University! Our university prides itself on the excellence of its graduate programs and the diversity of its student population. NC State is ranked among the top universities in the U.S. Learn more about graduate education at NC State.

Please return to your applicant portal to view all required checklist items. The decision is not final until the Graduate School performs a review of your application materials. We must receive and approve all checklist requirements in order to continue our review of your academic record. Once approved, you will receive notification. The Graduate School will then update its records to reflect your new admissions standing:

Recommended Admission status:	Full Admission
Degree Program:	Master of Industrial Engineering (MR) - On-Campus
Intended enrollment term:	Fall 2019

You may accept the offer of admission via the Enrollment Intention Form, located on your applicant status portal. If your program requires an advanced enrollment deposit, you will see a payment link. The deadline to pay the enrollment deposit is June 15 for Summer and Fall terms, and November 15 for Spring.

If you have any questions about your program's curriculum or financial awards (including assistantships), please contact the graduate program to which you applied.

If we can assist you with any other matters, please contact the Graduate School at graduate-school@ncsu.edu.

Sincerely,

Peter Harries, Interim Dean

Admission to the Master's degree programme in Engineering Sciences for the 2019/20 winter semester
Application No.: 231424

Dear Mr. Rajmane,

We hereby confirm that you have been accepted on to the Master's degree programme in Engineering Sciences (full time) at Rosenheim Technical University of Applied Sciences (Technische Hochschule Rosenheim).

Enrolment formalities will take place in the Student Administration Office, room B136 and you must attend in person. You will find the official day of enrolment on our homepage: http://www.th-rosenheim.de/Einschreibetermine.html. Please remember that later enrolment is not possible!

To complete your registration, please present the missing documents and your registration acceptance. Please look which documents are missing on your online application portal. Registration acceptance includes completing the missing statistical data via the online application portal (button "request enrolment").

You may only start your course of studies if the University receives the application documents mentioned.

There must also be proof of payment of the student union contribution amounting to 62 Euros. You will find the account details for the transfer in the PDF-file, which will be generated after you request enrolment on the online application portal. Bank statements and written transfer orders may be used as proof of payment. The responsible tutor will support you with this aspect once you arrive in Germany.

In addition, you also need this letter, a valid passport, written confirmation of health insurance cover in Germany and the necessary foreign permits (residence permit for the duration of your course). Should you have any other queries concerning your stay in our
