*Extra Curricular Activity Committee*

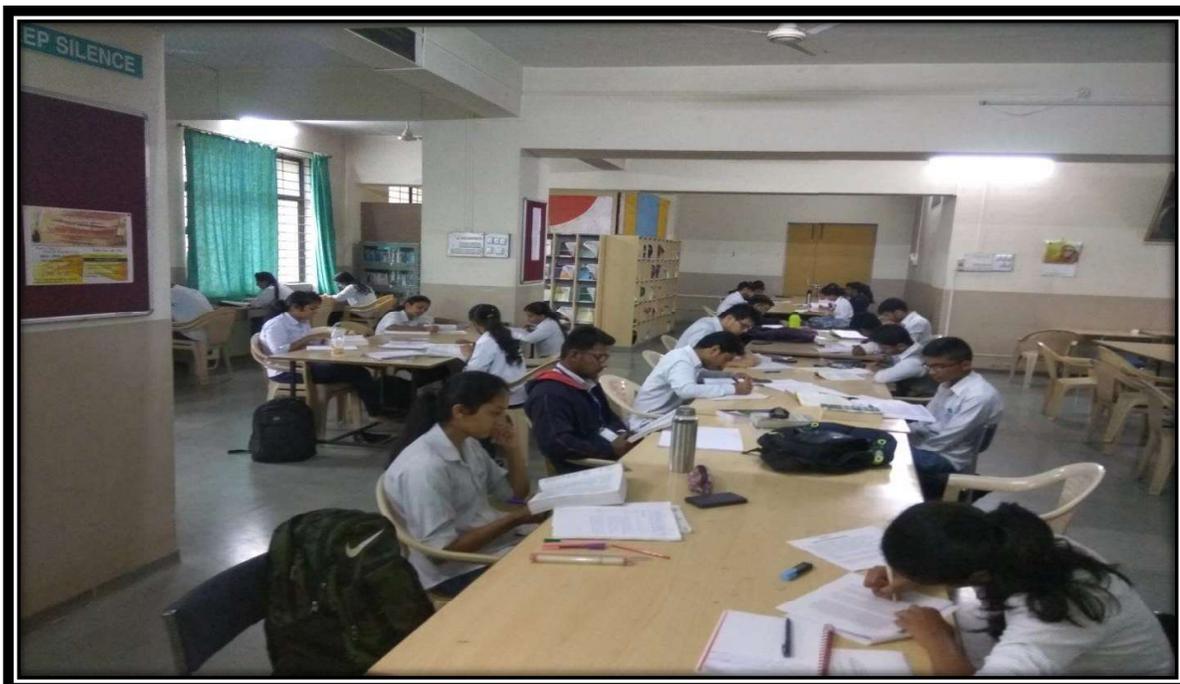

***“SWAYAM ADHYAYAN” (18 HOURS STUDY COMPETITION) REPORT***

Extra Curricular Activity committee had organized 18 Hours study program on 29<sup>rd</sup> July 2017 for students. 45 students took active part by registering in this activity. 35 participants including all streams were shortlisted for the same. After formal inauguration by functional head Prof. Mrs. Abhilasha Kulkarni, Event Coordinator Prof. Akshay Suryawanshi and Prof. Rahul Khachane Swayam Adhyayan Program began at 7:00 am in reading hall (2<sup>nd</sup> Floor).

Students participant in Swayam Adhyayan

Students were served breakfast, lunch, and dinner at 8:30 am, 12:00 pm and 8:00 pm respectively. They were also given two tea breaks at 10.30 am and 5:30 pm respectively. They solved numerical, read notes and also formed their own notes completely by using several reference books only. Dr. K. R. Patil, Dr. V. R. Deulgaonkar, Dr. V. N. Gohokar, Prof. M. R. Tarambale and other faculty encouraged students for participation during their visit. Participants of the event seemed very enthusiastic.

Few moments from the competition

The whole activity was observed keenly by ECA committee members enthusiastically motivating participants. At the end of the session, we took feedback from students. One of the participant mentioned "We don't study for 16 hours on a daily basis, but I was curious about what kind of effort it would take to remain focused for such a long period of time."

**Winner of the Competition are:**

**1<sup>st</sup> Winner:-** Kapil Kulkarni (BE Mechanical)

**2<sup>nd</sup> Winner:-** Shreeya Tahasildar (SE Computer)

Event Coordinators Prof. Akshay Suryawanshi & Prof. Rahul Khachane who Conceptualized the Program, said the activity would inculcate the habit of studying for stretches. Mayur Gadekar ( TE Electrical) help to create ambience of competition venue.

**Report: International Day of Yoga, 21<sup>st</sup> June 2017**

The Extra Curricular Activities Committee of Marathwada Mitra Mandal's College of Engineering celebrated the International Day of Yoga on 21<sup>st</sup> June 2017 from 10 am to 11 am. Hon. Prime Minister Narendra Modi had initiated the idea which was further accepted and 21<sup>st</sup> June was declared as the International Day of Yoga by United Nations General Assembly on December 11, 2014.

Mr. Atul Rakshe and Mr. Dhanjay Shinde from NGO Art of Living were invited to demonstrate and guide the participants on practice of yoga.

Principal Dr. S M. Deshpande welcomed the guests by giving them a memento. The Seminar Hall of MMCOE was keenly waiting for the practice to start. The practitioners started the Yoga practice with an Omkara which energized the entire assembly. 46 students and 17 staff members moved along the instructions of Mr. Atul Rakshe. The practice comprised of different Yogaasana, Pranayama, Meditation etc. Though Yoga was not a routine for most of them, the participants were enthralled by the practice. Most of them promised to include yoga in their daily schedule.

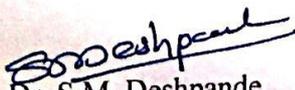

Best performers from amongst the participants were traced and appreciated by giving certificates. The session was concluded by feedback of participants. Lemon juice was served to the participants.

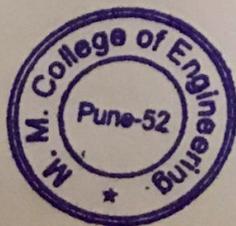

The entire program was concluded with a thanking remark made by Prof. Pradip Tamkhede. The International Day of Yoga was successfully carried out under the guidance of Principal Dr. S M. Deshpande and Dean- Student Affairs Dr. Vikas Deulgaonkar.

Report of Two Day's Workshop on "CATIA & NX Cad software

Mechanical Engineering Department conducted Two Days Workshop on "**CATIA & NX CAD Softwares**" on 23<sup>rd</sup> and 24<sup>th</sup> March 2018. This workshop was arranged to provide a platform to introduce students about latest technologies used in industries related to Computer Aided Design.

The inauguration session of the program started with Saraswati Pujan. Felicitations of the technical experts from DesignTech Systems Ltd. Mr. Mithilesh Kumar, Mr. Durgaprasad Kalyani & Mr. Raghav Kulkarni was done by Dr. S.M. Deshpande, Principal, Dr. K.R. Patil, Dean (Admin.) & Dr. V.R. Deulgaonkar, Dean (Student Affairs) by offering a memento as a token of appreciation. With the wisdom words of all the dignitaries the inauguration was successfully concluded. A total of 70 (seventy) S.E Mechanical Engineering students enthusiastically participated in the two days workshop. The schedule for the workshop contained different hands-on sessions on CATIA & NX CAD Modules. Further sessions were delivered by Mr. Mithilesh Kumar & Mr. Durgaprasad Kalyani. Dr. V.R. Deulgaonkar, Workshop Convener expressed vote of thanks. Prof. S.N Belsare, Prof. R.S Yadav, Mr. D.B Chavan & Mr. Tushar Shinde were a team for this workshop.

## Day 1 - CATIA

- Introduction to "Dassault System " CATIA
- Capabilities of CATIA - Case study
- Understanding User Interface of CATIA
- Sketcher and advance sketching tools in CATIA
- Using 3D reference Elements to create a part
- Applying Advanced Dress-Up Features
- Modeling using Boolean operations
- Sharing Designs by working in Multi-Model environment
- Handling large assembly - constraints, contact analysis
- Concept Modeling using 3ds' CATIA V5
- Dassault System - "Professional certification"

## Day 2 - NX CAD

- Introduction to "Siemens" - NX CAD"
- Trouble shooting using NX 10.0 - Case study
- Understanding User Interface of NX
- Concept of 2D design
- Using 3D reference Elements to create a part
- Applying Advance Features for modeling
- Parametric Modeling
- Synchronous Technology
- Handling large assembly, assembly sequencing in NX
- Concept Modeling using NX 10.0
- Our past students creation

Free Workshop For Students

Free Workshop For Students

## About Marathwada Mitra Mandal's College of Engineering, Pune

MMCOE is a flagship Institute of Marathwada Mitra Mandal Pune started from the academic year 2006. It offers five engineering programmes (Computer, Electrical, E&TC, Information Technology and Mechanical) and two P. G. programmes MBA, and ME (Comp Engg). It houses more than 2500 students and 200 staff members. Along with the focus on core academics, institution also takes care of overall personality development of the students. Institution has an active Robotics cell, SAE Collegiate Club, ISHRAE & ASHRAE Student Chapter, NSS, NCC, Training and Placement Cell etc.

## Department of Mechanical Engineering

Mechanical Engineering Department is one of the finest and biggest departments of the institute established in 2006 with the present intake of 180 students for UG programme. This includes intake of 120 for first shift and 60 for second shift. The department is very well equipped with workshops, laboratories, departmental library and digital library facilities. The classrooms are well designed rooms that incorporate everything needed for a pleasant learning atmosphere. It persistently seeks and adopts innovative methods to improve the quality of education on a consistent basis. Experienced and learned teachers are strongly encouraged to nurture the students.

Realizing the importance of learning beyond class rooms, the department encourages students to indulge in co-curricular activities. Department has established student chapters in association with International and National professional bodies like SAEINDIA, ISHRAE, ASHRAE, Institution of Engineers, ISTE, QCFI etc. Many of the students in department participate in technical, non-technical and cultural events on regular basis. To name few eminent technical competitions are BAJA, SUPRA, Efficycle, GoKart, ROBOCON, Techno Chill, e-Yantra, Utkranti etc. Department has "Center of Excellence" in Robotics and Automation which provides the platform to students for showcasing their technical talents through various project development. Our strong industry liaisoning and MoUs with various industries and

organizations help to enhance teaching, learning and research in the department. The goal of the department is to develop skilled employees ready to fit in market. Almost all the eligible students are placed in well known industries. Many students have been recommended for higher studies overseas after their Graduation.

## Objectives of the Program

1. To enhance the design ability from manufacturing perspectives
2. To create awareness regarding different alternative CAD software technologies and understand their performance
3. To understand the relevance and importance of geometric dimensioning & tolerance in design and manufacturing as per ASME GD&T standard

## Expected Outcomes

1. Participants will be able to design the mechanical components/assemblies
2. To create and read the manufacturing drawings of mechanical components/assemblies

## Benefits to Students

1. Up-gradation of knowledge in design, simulation
2. Hands-on experience on gd&t assembling and dismantling of machine components/assemblies

## Special Features

1. Learn new ideas and approaches for advances in CAD technology
2. Hands-on experience to transform from knowledge based to experience based learning
3. Transform the technical ability to disseminate ideas into practise effectively

## Who Should Attend?

Students from mechanical engineering. We encourage Participant interested to augment theoretical & practical aspects in CAD Driven Design and understand the needs of the industry.

## About Design Tech

Guided by the focused vision DesignTech Systems started spreading its wings. They began providing technological excellence in the domain of CAD / CAM / CAE & PLM. Design Tech alliance with world reputed advanced technology developers like Siemens Industry Software, Altair, Stratasys, MathWorks, ESI, SLM and SolidScape as a technological partner. DesignTech's current range of CAD / CAM / CAE and PLM products include Siemens Industry Software including NX CAD, CAM, Teamcenter, Tecnomatix; Altair HyperWorks suite including OptiStruct, HyperMesh, HyperView, MotionView, MotionSolve, HyperShape, HyperForm, RADIOSS; MathWorks solutions comprising of MATLAB and SIMULINK; and Stratasys (3D Printing/Rapid Prototyping Machines) involving Idea series, Design series and production series.

Report of Two Day's Workshop on "COMPUTER AIDED MACHINING  
USING EDGE CAM"

Mechanical Engineering Department organized a Two Days Workshop on "*COMPUTER AIDED MACHINING USING EDGE CAM Software*" on 17<sup>th</sup> and 18<sup>th</sup> July 2017. This workshop was arranged to provide a platform to introduce the faculties from S.P Pune University about different techniques used in the industries related CAD CAM under Mechanical Engineering stream.

**Objectives of the workshop were:-**

- Quick and effective understanding of the manufacturing processes with the use of software.
- Enhancing analytical and technical abilities of teachers and students with the use of CAD.
- To understand how to create cutter paths & user defined tool-path creation.
- To support faculties for adopting same technique in the academics.
- To bridge the gap between the industry and institution by incorporating the industry.

The inauguration session of the program started with Saraswati Pujan and the same was carried by all the dignitaries. Felicitations of the respective guests was carried out at later stage. Dr. P.J. Awasare, Co-ordinator, Board of studies (Mech.) S.P. Pune University as a chief guest, Dr. B.S. Kothawale, Co-ordinator member, Board of studies (Mech.) S.P. Pune University, Dr. S.M. Deshpande, Principal, Dr. K.R. Patil, HOD Mechanical Engineering Department and Dr. V.R. Deulgaonkar, Dean (Student Affairs) & Associate Professor Mechanical Engineering department as Workshop Covenor. A total of 56 faculties participated in the two days workshop. The schedule for the workshop contained different hands-on sessions on EDGE CAM. With the wisdom words of all the dignitaries the inauguration was successfully concluded. Further session was delivered by Mr. Amol Mane, General Manager - Technical (South Asia and Middle East) at Vero India Software Pvt.

**Day 1: Morning Session:**

- Vero Software Introduction & Product Portfolio

- Demonstration session on CAM assignments using EDGECAM software

**Afternoon Session:**

- Hands on Training using EDGECAM & Turning assignments using EDGECAM software

Day 2: **Morning Session:**

- Demonstration session on CAM assignments using EDGECAM software

**Afternoon Session:**

- Hands on Training using EDGECAM

The Closing Ceremony was done at 04: 30 p.m. and certificate distribution for participants was successfully done.

**Report of Add-On Course on Geometric dimensioning and tolerancing**

Mechanical Engineering Department conducted a Add-On Course on Geometric dimensioning and tolerancing for B.E. Mechanical Students in association with MechaTol Engineering Solutions Pune. Felicitation of resource person Mr. Anand Bhise was done by Dr. P.S. Purandare, HOD Mechanical Engineering. He and Dr. V.R.Deulgaonkar. Convener of Add on Course addressed the students during inaugural function.

Mechatol engineering solutions is a specialized in trainer in GD&T (ASME y 14.5.1994.2009 standard) & tolerance stack up ,Tolerance stack up simulation, Design automation using excel based customization, kbe implementation (knowledge based engineering ) solidworks( cad and cae application's) The Add-on Course was conducted in various sessions per day Total 200 students actively participated in the Course.

The concluding ceremony for the Add –On Course was conducted and Certificates were distributed after completion of the program. During this HOD Mechanical Engineering shared his thoughts with participants regarding importance of GD and T for career in Mechanical Engineering. Convener of the workshop presented vote of thanks. Organizing team included Dr.V.R.Deulgaonkar, Prof.S.N.Belsare.

**NOTICE**

All students of SE, TE & BE are hereby informed that Geometric Dimensioning and Tolerancing (GD&T) training course is organized under MoU with Mechatrol Engineering Solutions. It is starting from 10<sup>th</sup> June 2017. This course duration is of 30hrs. This training program is free of cost and it is compulsory for all students. For enrolment students are required to contact Prof. M.V. Kawade. For further details regarding training and certification contact Dr.V.R Deulgaonkar (Dean Student Affairs).

### Report on “Technical Event Neurolligent 2K17”

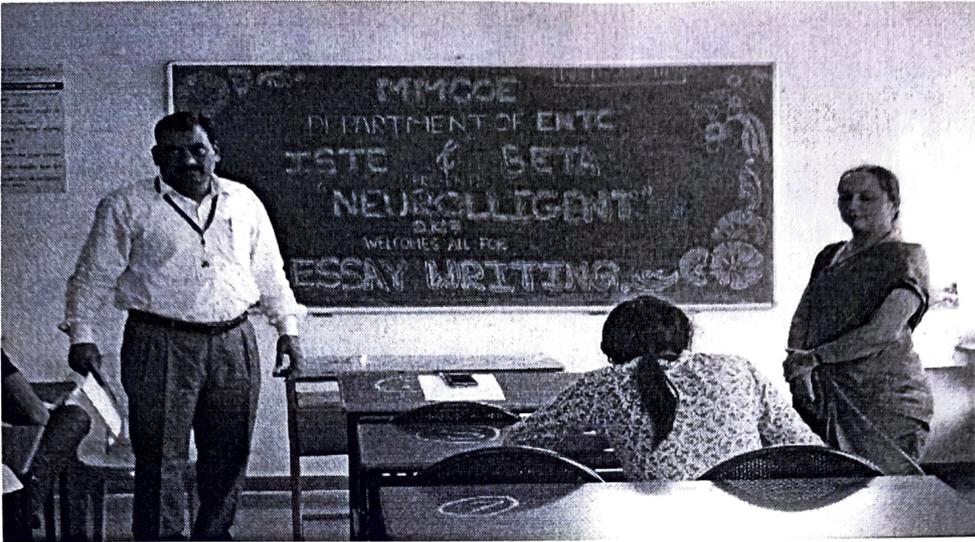

The Department of Electronics and Telecommunication organized a “Inter Department Technical Event NEUROLLIGENT-2K17” under BETA Student Association and ISTE Students’ Chapter dated on 27<sup>th</sup> September 2017 at 2pm for aspirants with a very high competitive spirit to participate and with the strong determination to include their achievements & accomplishments to their resumes. The inauguration was done by our Principal Dr. S.M. Deshpande, HOD E&TC Mrs. Sawant, ISTE Staff co-ordinator Mrs. Malekar, all teaching staff and all volunteers, coordinators. Everybody gave their valuable thoughts to all students.

This Technical Event is organized this year with the objective to provide a platform for the students to showcase their talent with a competitive spirit. The event was successful enough to attract as many as 150 registrations for Quiz, Paper presentation, Essay Writing, Puzzle competition.

The winners are as follows:

**For Quiz-**

1) Mayur Sawant (SE)

**For Puzzle-**

1) Mahesh Bothe (TE), Sheetal Gurjar (BE)

**For Paper Presentation-**

1) Shirish Satpute (SE), Pranav Bapat (SE)

**For Essay-**

1) Gauri Bhale (TE)

The winners were encouraged with prizes. Department feels proud to organize such a successful event and would like to convey thanks to teacher coordinators Mr. Deokamble, Mrs. Malekar all SE and TE Student coordinators and volunteers for their timely advice and cooperation for organizing a successful Technical Event.

25<sup>th</sup> March 2018 & Time- 10:00 am - 12:00 pm

**Venue:** HPC Laboratory (505) and Computer Networks Lab (501)

**Description:**

Department of Computer Engineering has organized a 4 hour training session on LaTeX tool on, 22<sup>nd</sup> and 25<sup>th</sup> March 2018 in HPC lab and CN lab. This training session was organised for T.E. students and managed by internal staff members. Total 120 T.E. computer students attended this workshop.

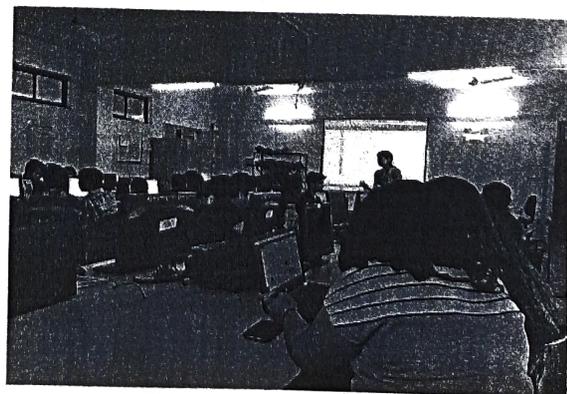

Following mentioned are the topics covered under this session:

- Introduction to Latex
- Specifications(Listing, tables, graphics) with examples
- Mathematical Notations
- Adding the sparkle (animation), themes & references.
- Creating a report in LaTeX

**Objective of this training:**

- Spread awareness about usefulness of this tool
- Clarify all the technical/practical issues by providing hands on experience with LaTeX

**Some Glimpse of this workshop:**

**Outcome of this training:**

- Increased awareness about usefulness of this tool
- Students shall be able to use this tool, not only in their current TE semester seminar report, but also in their final year project report generation.

One day workshop on  
Blender: Open Source Tool for Animation**

Department of Computer Engineering has organized one day workshop on 'Blender: Open Source Tool for Animation' on 24/2/2018 in association with Animationwala.com. Objective of the workshop was to introduce modern tools used for creation of animation. Total 26 students from Second Year were participated in this workshop.

Workshop was started by keynote speech of Mr. Rajesh Khele, President, Animationwala.com. He had discussed career opportunities in Animation and Gaming. Session was interesting due to small animated video shown by the sir.

Introductory session on 'Need of opens source for animation' followed by Khele sir was conducted by Ms. Sankirti Shiravale. After that hands-on session on 3-D modelling and key frame based animation was conducted by Ms. Uma Karanje. Adding sound effect, rendering and creating video files were explained by Mr. Sameer Kulkarni (BE Computer) and Mr. Jayesh Gore (TE Computer). At the end of the workshop every student had created a 3 D animation of Chess Board game.

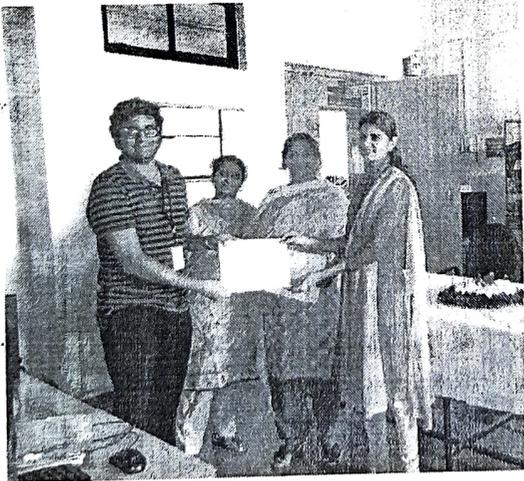

**Outcomes of the workshop:**

Students are able to:

1. Create simple animated videos to create social awareness regarding social issues like road sefty , save water , save trees etc.
2. Develop professional skills required by Animation and graphics industry.

Three days Workshop on  
Introduction to GPU Computing Using CUDA  
Under Center of Excellence, NVIDIA GPU Education Center and CSI Student Chapter- MMCOE  
during 28<sup>th</sup> to 30<sup>th</sup> December, 2017**

The Department of Computer Engineering had organized three days workshop on Introduction to GPU computing using CUDA. This workshop was organized under Center of Excellence, NVIDIA GPU Education Center and CSI Students Chapter-MMCOE during 28<sup>th</sup> to 30<sup>th</sup> December, 2017. The workshop was divided into 5 different sessions, out of which two were conducted each on 28<sup>th</sup> and 29<sup>th</sup> of December and one session was conducted on 30<sup>th</sup> of December.

**About the Workshop:**

The motto behind this workshop was to train the students from different Institutes on CUDA and GPU Computing with the following objectives:

- To introduce techniques and tools based on CUDA environment for High Performance Computing.
- To provide hands-on experience on CUDA programming model.
- To discuss real world problems which can be solved using GPU

Department of Computer Engineering is recognized as 'NVIDIA GPU Education Center' and has rich GPU infrastructure with 1 TESLA K40, 2 TITAN X and 1 Supermicro server for operating these cards.

**Highlights of the workshop:**

1. Current Trends in GPU Computing
2. Introduction to GPU Architecture
3. CUDA Programming Model
4. Kernel Execution on GPU
5. GPU Memory Hierarchy
6. CUDA Code Optimization

7. Applications of GPU in multidisciplinary research
8. Case Study: Query Optimization using GPU
9. Online Test of all the participants
