**ECA Committee Report on**  
**International Day of Yoga, 21<sup>st</sup> June 2018**

The Extra Curricular Activities Committee of MMCOE celebrated the International Day of Yoga, as per the instruction received from SPPU and an initiation of our Hon. Prime Minister Narendra Modi, with great zeal and dedication. June 21, was declared as the International Day of Yoga by the United Nations General Assembly on December 11, 2014. The ECA Committee of MMCOE, under the guidance of Principal Dr. S.M. Deshpande, planned to celebrate this day.

Participation was open for the staff as well as the students by registering their names with Prof. Abhilasha Kulkarni (Incharge Head, ECA Committee) and Prof. Asma Shaikh (Event Coordinator). Ms. Geeta Pande, a renowned yoga practitioner, was invited to teach and guide the participants. Ms Geeta Pande were welcomed with a shawl and a memento by the Dr. V. R. Deulgaonkar, Dean, Student Affairs'

The Seminar Hall of MMCOE was keenly waiting for the practice to start. Ms. Pande, initially shared his views on the necessity to regularly practice yoga and its benefits for a healthy living. She then started with Prayer mentioned in Common Yoga Protocol and the the Yoga practice with a Omkara which energized the entire assembly. More than 80 participants moved along the instructions of Ms. Pande . The practice comprised of different 'asanas', 'pranayam' etc. also accompanied with their benefits for the human body.

The practice was so alluring that even some observers joined in. The participants performed according to the instructions of Ms. Geeta Pande perform for them. Though Yoga was not a routine for most of them, the participants were enthralled by the practice. Most of them promised to include it in their daily schedule.

The practice concluded after two hours. Student volunteers served lemon water to the participants. The Yoga Practitioner, in his conversation with the Principal, made a remark that he was astounded with the response of the faculty members and students and the dedication was worth appreciation.

### Report of Two days Hands-on Workshop on HyperMesh 17.0 Software for B.E.

#### Mechanical Students

Mechanical Engineering Department conducted a two days' hands-on workshop on HyperMesh 17.0 software for B.E. Mechanical students on 11<sup>th</sup> & 12<sup>th</sup> October 2018 in association with DesignTech Pvt Ltd., Pune. Felicitation of resource person Mr. Manish Arzare, DesignTech Pvt Ltd, Pune was done by Dr. P.S. Purandare, HOD Mechanical Engineering. He and Dr. V.R. Deulgaonkar, Convener of workshop, addressed the students during inaugural function.

Altair HyperMesh is a market-leading, multi-disciplinary finite element pre-processor. It manages the generation of the largest, most complex models, starting with the import of CAD geometry to exporting ready-to-run solver file. The aim of the workshop was to provide preliminary knowledge regarding the different meshing and geometry cleanup techniques used during pre-processing in finite element analysis. The workshop was conducted in two sessions per day (Morning & Afternoon). Total 30 final year students actively participated in the workshop. Interactive sessions were conducted by Mr. Manish Arzare from DesignTech systems.

The concluding ceremony for the hands-on workshop was conducted on 12th October 2018. E-certificates were distributed after completion of the program. During this HOD Mechanical Engineering shared his thoughts with participants regarding importance of software training for career. Convener of the workshop presented vote of thanks. Organizing team included Dr.V.R Deulgaonkar, Prof.S.N Belsare, Prof. R.S Yadav, Prof. R.U Patil and Mr. S.V Mane

**SUB:** Conduction of workshop "Basics of MATLAB" for SE Electrical Students

**Respected Sir,**

Department of electrical engineering had organized and conducted workshop on "Basics of MATLAB" on 21<sup>st</sup> July 2018 for second year students of electrical engineering. Eighteen students have voluntarily participated in this hand on training and benefitted from the same.

The hands on training conducted with following objectives

- 1. Introduction to MATLAB software
- 2. Numerical computations using MATLAB
- 3. Basic commands using MATLAB output through graph and command window
- 4. Simulink for electrical engineering

## ABOUT DEPARTMENT OF ELECTRICAL ENGG.

Electrical Engineering is one of the core branch of engineering which is fastest growing field across the globe. It is multidisciplinary field of engineering that generally deals with the study and applications of electricity, electronics and electromagnetism. Major of the department strengths are well qualified and experienced faculty, self motivated staff, state of the art laboratories, focused approach towards excellence in Automation and Control, ample resources for holistic development of students etc. Curriculum is highly inter disciplinary with huge opportunities for learner in public sector, private sector, software development, maintenance engineering, as a contractor & supervisor, entrepreneur, energy auditor, chartered engineers etc.

### Vision

Quality Education to create Competent Electrical Engineering Professionals

### Mission:

- To Provide Excellent academic environment through interactive teaching learning
- To impart value based education via social connectivity
- To develop interdisciplinary skills by add-on activities

**Respected Sir,**

Department of electrical engineering had arranged the workshop on "MATLAB FOR ELECTRICAL ENGINEERS" on 18<sup>th</sup> and 19<sup>th</sup> June for final year students as a part of skill development. 30 students have participated enthusiastically for hands on training conducted in computer lab (R. No. 102).

The hands on training on MATLAB is conducted with following objectives:

- 1. Introduction to MATLAB software
- 2. Numerical Computations using MATLAB
- 3. Basic commands using MATLAB command prompt
- 4. Simulink for electrical Engineers
- 5. Neural Network toolbox
- 6. Fuzzy logic toolbox

Session are conducted by Prof. V. N. Gohokar (2 Hour), Prof. S. C. Jadhav (8 Hours), Prof. P. R. Choube (3 Hours).

DATE: 29<sup>th</sup> Aug 2018

**SUBMITTED:**

**SUB:** Workshop organized by electrical department under CoE

**Respected Sir,**

Department of Electrical Engineering had organized two workshops on

1. Automation Technologies
2. Power Electronics, component selection, testing and prototype making

On 23<sup>rd</sup> and 24<sup>th</sup> of July. 65 students have taken participation to hands on in this two workshop and got benefitted from the same.

This two workshop conducted with the key objectives of

1. Selection & Testing of power electronic component
2. Usage of modern tool for circuit design
3. Arduino Programming and Circuit building
4. Ladder logic development for application e.g. traffic light control, car parking, elevator control

## AIMS AND OBJECTIVES

- Selection of switch gear for low voltage applications.
- Microcontroller programming for real time applications.
- Building ladder logic for various applications e.g. car parking, traffic light control and elevator control etc.

## WORKSHOP SCHEDULE

Date	Time	Contents
23 <sup>rd</sup> Aug 2018	9:30am to 1:00 pm	Low Voltage switchgear Hard wired logic circuits
	2:00 to 3:45 pm	PLC Applications Car Parking, Traffic Control
24 <sup>th</sup> Aug 2018	9:30am to 1:00 pm	PLC Applications Elevator control, ON/Off temp controller
	2:00 to 3:45 pm	Arduino Basics and applications

## WHY TO ATTEND

Considering today's era of automation, it becomes necessary to acquire knowledge of automation. This course will definitely help in developing knowledge of automation, control panel design, PLC applications. It will also help in development of micro controller programming e.g. Arduino.

**Date & Time:** 20<sup>th</sup> March 2019 & 8.30 am to 12.30 pm

**Venue:** Thin Client Lab (606A)

**Description:**

Department of Computer Engineering has organized a 4 hour training session on LaTeX tool on Wednesday, 20<sup>th</sup> March 2019 in Thin Client Lab (606A) under CSI. This training session was organised and delivered by internal staff member Ms. Pooja Deshmukh.

Following mentioned are the topics covered under this session:

- Introduction to Latex
- Specifications with examples
- Basic and Advance Concepts
- Report Writing
- Mathematical Notations
- Adding Images, Tables and references.
- Overview of Plagiarism

**Objective of this training:**

- Spread awareness about usefulness of LaTeX scripting Language
- Clarify all the technical/practical issues by providing hands on experience with LaTeX

**Outcome of this training:**

- Increased awareness about usefulness of this tool
- Students shall be able to use this tool, for TE seminar report writing and BE project report writing

**Student's Feedback:**

- Students appreciated our approach. Their feedback was received through Google Forms( refer the below snapshot)

**Designation and Experience: Researcher & Deveolper in Computer Science, MITU Skillologies, 10 years**

### **Topics covered:**

Following topics were covered by the speaker :

#### **Day-1**

1. **LED Blinking**
  - I. LED fade
  - II. Voice control LED ON/OFF other peripherals
  - III. Controlling LED through web interfaces
2. **Servo Motor**
  - I. Study of servo Motor
  - II. Controlling Servo Motor

#### **Day-2**

1. **Client server Application**
  - I. Creating temprature server
  - II. Client server connectivity
2. **Cloud in IoT**
  - I. Understanding the cloud
  - II. Uploading data to Thingspeak Cloud

### 3. Web Interfaces

- I. Creating Web interfaces in Rpi using HTML-PHP
- II. Controlling LED through web interfaces

### 4. Raspberry pi camera application

- I. Reading image, storing image and video through camera

One day workshop on**

**Blender: Open Source 3 DTool**

Department of Computer Engineering has organized one day workshop on 'Blender: Open Source 3D Tool ' on 20/2/2019 in association with Animationwala.com. Objective of the workshop was to introduce modern tools used for creation of animation. Total 36 students from Second Year were participated in this workshop.

Workshop was started by keynote speech of **Mr. Rajesh Khele, Founder President, Animationwala.com**. He had discussed career opportunities in Animation and Gaming. Session was interesting due to small animated video shown by the sir.

Introductory session on 'Need of opens source for animation' followed by Khele sir was conducted by **Ms. Sankirti Shiravale**. After that hands-on session on 3-D modelling and key frame based animation was conducted by student team of **Mr. Jayesh Gore (BE Computer)** and **Mr. Tanmay Bhawasari (TE Computer)**.

Adding sound effect, rendering and creating video files were explained by **Ms. Uma Karanje , Assistant Professor, MMIT, Pune**.

At the end of the workshop every student had created a 3 D animation of Chess Board game.

**Outcomes of the workshop:**

Students are able to:

1. Create simple animated videos to create social awareness regarding social issues like road sefty , save water , save trees etc.
2. Develop professional skills required by Animation and graphics industry.
3. Differentiate between rendering on CPU and GPU.

### **“One Day Workshop on Web Application Development using Python(Flask/Django)”**

**Topic:** Web Application Development using Python(Flask/Django) Web Technology  
**Subject**

**Date & Time :** 7/02/2019 , 9.30 am to 5.00 pm

**Class :** Third Year

**No. of Students:** 75

**Venue:** Thin Client Lab(606)

**Co-ordinator for the guest lecture:** Ms. Ashwini Bhugul, Ms. Asma Shaikh

**Speaker of Guest Lecture:** Ms. Sayali Yewale

**Designation and Experience:** Senior Software Engineer, FossEST Technologies, Pvt. Ltd, Mumbai, 8 Years

**Topics covered:**

- 1) Python Fundamentals and its Industrial Importance
- 2) Hands-on on Flask and Django Python
- 3) HTTP Method, URL Building, Request Object, Routing
- 4) Templates and Form Fundamentals
- 5) Database Concept
- 6) Project – Make a simple and complex web Applications

**Description :** Department of Computer Engineering has One Day Workshop on Web Application Development using Python(Flask/Django) under Add-on course for subject Web Technology in association with FossEST Technologies, Pvt. Ltd. Mumbai for TE Students of Computer Engineering Workshop has started by warm welcome of Speaker Ms. Sayali Yewale, FossEST Technologies Pvt. Ltd, Mumbai by Ms. Asma Shaikh. The session started with Introduction of the speaker by Ms. Ashwini Bhugul followed by Introduction of Python framework by speaker. Ms. Sayali Yewale delivered a very nice hands-on session on Flask framework. The postlunch session on Django was full of knowledge and appreciated by students also. They learned to create a small web application using Django framework. The Workshop ended with certificate distribution. Students found this workshop very useful in industry point of view..

The Faculty Coordinator of the workshop were Ms. Ashwini Bhugul and Ms. Asma Shaikh. The student coordinators Mr. Niraj Mate, Ms. Smita Nannor and Ms. Aditi Mhadgut coordinated the workshop very nicely. Outcome of this workshop is students are able to create Dynamic Web Application using Python which is the need of the industry today.

**Classes :** SE, TE & BE

**No. of participants:** 76

**Venue:** 511

**Co-ordinators for Workshop:** Ms. Shubhada P. Mone, Mrs. I. S. Savant, Mr. V. R. Sali

**Guests visited:** Mrs. Apurva Joshi, Mr. Varad Chiney, Mr. Rahul Sharma, Mr. Paras Shah

**Designation & Experience of Visiting Faculty:**

1) Mrs. Apurva Joshi

Director, Riskpro(IndiaForensics), Pune

2) Mr. Varad Chiney

Forensics Analyst Biznexus( IndoaForensics Pvt. Ltd.), Pune

3) Mr. Rahul Sharma

Security Analyst, QuckHeal Technologies Pvt.Ltd.,Pune

4) Mr.Paras Shah

Security Researcher, FirstCry.com, Pune

**Topics covered:**

1. Firewall Bypass
2. Security against Threats
3. Hacking
4. Assessing the target
5. Exploit
6. Post Exploit
7. Assessing the target
8. Wifi Tracking
9. Google Dorks
10. Email Spoofing & Email Tracking
11. Fake calls & Fake Mobile numbers

**Delivering lecture by Mr. Rahul Sharma**

**Felicitating guest- Mr. Paras Shah**

**Outcome:** The students were very eager to participate in this workshop. The students had experienced hands-on session on "Information & Cyber Security". They had knowledge of hacking, Firewall Bypass. They also experienced email spoofing & ethical hacking. The outcome of this workshop is that it helped to develop the interest in this security area & they can proceed further for research or publications. This will also helpful for BE students as they are having one subject in curriculum. At the end one task is assigned to students based on their 2 day's workshop & their performance is judged. BE students will have the advantage of this workshop in terms of placements in companies. This workshop had developed the interest of SE students in the Security domain so they can choose their seminar & projects in this area & proceed for some innovative ideas.
