Dear Ms. Khairnar:

We are pleased to inform you of your admission for graduate study in Computer Science beginning with the Spring Semester 2021. All new students must attend the International Student Orientation. Information about orientation will be emailed to you by the International Students and Scholars Office (ISSO), or visit <https://www.isso.iastate.edu/new-student-orientation>.

If you indicated on your application that you would be applying for a student visa, the Certificate of Eligibility (Form I-20 or DS-2019) has been enclosed. Please check it carefully to make sure that the information is accurate, and notify us immediately if any corrections are necessary.

If you indicated that you are currently attending another school in the US, a new Iowa State University I-20 Form cannot be issued until AFTER your current institution releases your SEVIS record to Iowa State University (the release date is usually on or after the last day of classes). In addition to requesting your current school to release your SEVIS record, you must also complete the SEVIS Transfer to Iowa State University e-Form available under the Student Services tab in CyStart at [cystart.its.iastate.edu](http://cystart.its.iastate.edu). You will have to login through the Limited Services link on the right side of the page. Iowa State must have this e-form completed by you and your International Student Adviser at your current school before you begin classes at Iowa State.

Your admission is conditional pending our receipt of official final academic records from your previous institution(s). (Uploaded and e-mailed documents are not official.) Final records must be received by our office before you will be allowed to enroll in classes at Iowa State. If you are a current ISU student, this will be handled internally for you. If you anticipate any difficulties in meeting these requirements, please contact the Office of Admissions for assistance. You can reference information regarding official academic records on the enclosed Official Academic Record information Sheet.

- If your studies are complete, please contact the Registrar at your previous school(s) and arrange to have official records mailed to the Office of Admissions. They must be received within the next four weeks. If you have already had all official academic records sent, you may skip this step.
- If you are still attending classes, when your present study is complete, please arrange to have your final academic record and degree statement sent to our office. Please contact the Registrar at your institution(s) and arrange to have those official records sent to the Office of Admissions within four weeks of the completion of the final term.

If your primary language is not English, you will be given an English placement test upon your arrival in order to determine your need for a course in English as a second language.

This offer is made subject to the above conditions, which you will need to meet before you can be accepted onto the course.

## English language requirement

If your offer has an English language condition included, this is expressed as an IELTS requirement. If you do not have the required IELTS for entry, our [Pre-sessional courses](#) can help you to achieve this level.

Whilst we will accept tests of English other than IELTS, providing they are at the correct level for entry, if you are intending to undertake an IELTS we would recommend that you undertake one of the new UKVI Secure English Language Test (SELT) Academic IELTS or Trinity College Tests of English (UK only) – in light of recent changes made by the Home Office to English language provision.

## Visa

You will have to obtain a visa to study in the UK before you can take up your place. For further information, please visit [our website](#).

Before you can apply for a visa, we have to issue you with a Certificate of Acceptance for Studies (CAS). Please read the **Codes of Practice** carefully as it will apply to you if you accept this offer. If we do not issue a CAS, you will not be able to obtain a visa, and you will not be able to take up your place at the University.

By requesting a CAS, you are confirming that you are fully aware of your responsibility to abide by the conditions of your Tier 4 visa, should a CAS be issued to you. This includes not exceeding working hour restrictions as stated on your visa/BRP, registering with the police (if applicable) and also your obligation to leave the UK when your visa expires. Further details about your responsibilities as a Tier 4 student are available on the [UKCISA website](#).

For further information about your tuition fees, including when they are due and the circumstances in which they may change for future years of your course please see the **Fees and Finance Policy** which is sent with this offer. If we anticipate there will be any additional course specific costs (for example, specialist equipment, art supplies, laboratory overalls or contributions to field trips) these will be highlighted in the **About your course** factsheet which is also sent with this offer.

**Please note that graduates of a University of Hertfordshire undergraduate degree (either in the UK or at a partner institution overseas) and who are starting a new postgraduate taught course at the university may be eligible to receive a 20% reduction of fees. See eligibility criteria for the 'UH Graduate Scholarship' in our Fees and Funding policy that's included with your offer.**

To accept this offer, you must either pay a deposit of **£5000** (which will be offset against your first year tuition fee) or provide us with satisfactory evidence that your fees will be paid by a sponsor. The final deadline for the payment of deposits or receipt of evidence of sponsorship is 31/10/2020. If we have not received either by this date, this offer will be deemed to have been withdrawn. Please refer to section 2.10 of the Fees and Finance Policy for details of how the deposit (which contains a non-refundable element) may be paid or the evidence of sponsorship provided.

If you do not require a Tier 4 visa then you are not required to pay a deposit of £5000, to accept this offer please email [international@herts.ac.uk](mailto:international@herts.ac.uk)
