1. MAUNAANTR KARANDAK' 2K17 (02/07/2017)

This year we successfully participated in Maunaantr Karandak 2017 where we performed the mime play "Sparsh". This is an inter-college competition where colleges from all over Pune participate in it.

This drama circulates around a girl having confused identity about herself.

Apart from the drama the play includes various events like dance, UV show, Mime dance, and mime acts.

Encouragement, support and motivation from our Honorable management, beloved Principal sir and teachers proved useful and built confidence in us.

#### Rajya Natya

Date: 18-11-2017 and 06-02-2019

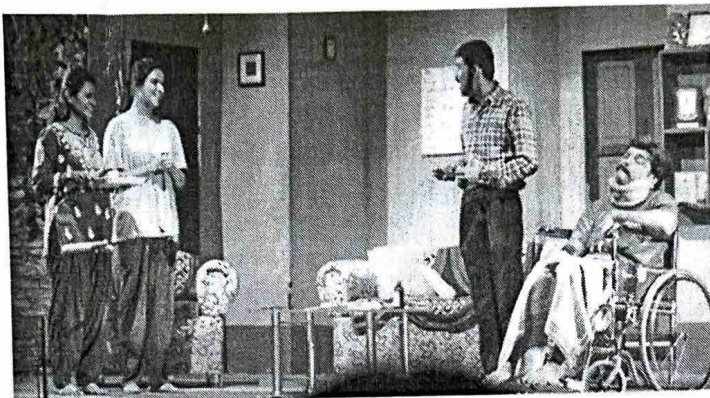

This year we successfully participated in Rajya Natya 2017 where we performed the play "Samikaran". This is the state level competition where colleges from all over Maharashtra participate in it.

Samikaran is the story of two sisters and their father, and how they mend their broken relationship. The girls are brought up by their father who is extremely intelligent scientist. The story of Samikaran is basically like an equation, One of the sister being the sum solver of that equation.

Encouragement, support and motivation from Prof. Abhilasha Kulkarni, Incharge head, ECA committee proved useful and built confidence in us.

Dear Sir/Madam,

We are excited to announce that "Mirchi Freshers 2017" - the biggest college activation property in India is about to begin. This is the 7th edition of the premier initiative that will cover the 100 best colleges across 8 cities in the country interacting with thousands of young minds and help the freshers integrate well with the college environs.

This year "Mirchi Freshers" has grown bigger - its includes a "Freshers Party" to welcome the first-year students as well as the seniors within the college premises apart from the exciting brand engagements that this initiative is known for. The students can participate in multiple activities and win exciting prizes from partner brands. Two of the most dynamic students from each college will be chosen as "Mr. & Ms. Mirchi Freshers" and will stand to win prizes.

To organize the activity, we would require an open space within the college premises for setting up 4 Nos. 8'x8' stalls and a hall/large classroom to organize a party with DJ music. A pre-activity setup will be placed in the college one day before the activity to inform the students about the details of the activity and register the first-year students for the contests.

We would like to invite your esteemed college to be a part of this glamorous initiative and look forward to your kind approval.

Sincerely,

For Radio Mirchi

Dear Sir,

We, the Extra Curricular Activities Committee, on behalf of Marathwada Mitra Mandal's College of Engineering, thank you for conducting a one hour lecture on the occasion of "Marathi Bhasha Gaurav Divas" on 27<sup>th</sup> February 2018.

It was a very good opportunity for our students and faculty members to hear from you a brief history of Marathi language. Your session has been a motivation for the youth of our institution for inculcating and developing the habit of utilizing "Marathi" (*Matrubhasha*).

Thank you.
