**Subject:** Renewal of SAEINDIA Membership of Faculty Advisors

Respected Sir,

Dr. K. R. Patil and Prof. A. D. Desale are working as senior faculty advisor and additional faculty advisor for our "SAEINDIA MMCOE Collegiate Club" from the Academic Year 2012-13 to guide the student members in running the affairs of the Collegiate Club. The SAEINDIA membership of the said faculties should be renewed for the academic year **2018-19**. The annual membership fee is Rs 1400/- + GST 18%: 252 =1652/- per member.

Hence, you are requested to sanction **1652 x 2= Rs 3304/- (Three thousand three hundred and four only)** towards membership fee of two faculty members.

Thanking you,

Yours faithfully,

Subject: Permission for attending FDP on Lab Practice III

Respected Sir,

We the undersigned, working at Computer Engineering Department would like to attend FDP on Lab Practice III for BE course. As per revised syllabus of SPPU BE computer, a LP-III subject has practicals of 2 subjects Machine Learning and Information and Cyber Security. The FDP is scheduled at MITCOE during 18<sup>th</sup> - 19<sup>th</sup> December, 2018

We two faculties would like to attend the FDP as follows:

Day 1 Ms. Ila Savant

Day 2 Ms. Abhilasha Kulkarni

FDP charges for per day registration is Rs. 800/- and for 2 days it is Rs. 1600/-

Kindly allow us to attend this FDP.

Thank You.

**College of Engineering, Pune**

College of Engineering Pune (CoEP), an autonomous institute of Government of Maharashtra State and affiliated to Savitribai Phule Pune University, is one of the most prestigious engineering colleges in India. The institute is distinguished by its commitment for finding solutions to the great predicaments of the day through advanced technologies. The institute has a rich history and proven dedication to the pursuit of excellence. The hallmark of CoEP education is the strong and widespread alumni network, support of the industries and the camaraderie that the institute shares with several foreign universities.

**Dept. of Electrical Engineering**

The Department of Electrical Engineering was established in 1932, running one UG program (B. Tech.-Electrical Engineering) and three PG program M. Tech. (Power Electronics & Power System, Embedded Control Systems and Power Electronics and Machine Drives). Department also offers full time and part time Ph. D. program and is recognized as QIP centre. All eligible programs are accredited for five years. The current research activities are in the domain of control system, machines, power electronics, energy, power system, smart grid and micro grid. State of the art hardware and software laboratories in the department lead to an extraordinary enrichment of students and research scholars. The The department was ranked

first by AICTE-CII in 2016 for the best industry - institute interaction at the national level. The department has recently established Center of Excellence in Smart and Renewable Energy Systems under TEQIP-III, Hella Frugal Lab and K. R. Natu School.

### About the Workshop

This workshop focus on Electrical Panel Design leveraging latest Technological Tool (COFASO) is intended to bring Electrical Basic Design and Panel Design on one Platform. This program will also ensure making Design engineering more efficient and productive.

Different types of Panels are back bone of any industry or Commercial set up. Panel Manufacturing is in itself a large Industry. These industries are today struggling to get Trained Engineers for Panel Design. COFASO has highly advanced features and easy to learn. This is very user friendly having following Key features -

- Intelligent Schematics (SLD, Circuit Diagram)
- Panel Layouts
- Automatic GA Extraction from Panel Layout
- Automatic Reports Generation

### Registration Fees

Academia:- Rs. 2000/- Industry:- Rs. 8000/-

(Includes tea/coffee, lunch and registration kit)

### Desirable Criteria for Participants

Preference will be given to the interested faculty having teaching and industrial experience in the thematic area.

### Training Approach

- Basic Understanding of Different type of Control Panels
- Basic understanding of different components of Panel
- Design of Panel on Software
- Develop and Create Micros
- Schematic Drawing understanding
- Final output with Panel Drawing
- General Aspects of Electrical Design
- Power Control Centre (PCC)
- Motor Control Centre (MCC)
- Importance of Reactive power & related Improvement of System power factor
- Standard used in Control panel Designing
- PLC, SCADA & DCS

### Accommodation

Subject: Application for sanction of registration fees and OD for Faculty Development Workshop

Respected sir,

I Mrs M.R. Pangaonkar , working as an A.P. in E & TC Dept. wish to attend 5 days Faculty Development Workshop from 18<sup>th</sup> to 22<sup>nd</sup> February 2019. The workshop is on "VLSI Design at Deep Submicron Node". This is an initiative by Ministry of Electronics & Information Technology, Government of India. It is organized by ICT Academy IIT Guwahati, Assam in association with School of Electronics and Communication Engineering of MIT-WPU , Pune

I feel that I must attend it because of following reasons:

- 1) I have completed my M.E in Electronics-VLSI and want to sharpen my Design and Development Skills of CMOS VLSI Design.
- 2) I have cleared PhD PET of SP-PU in last Academic Year. Hence, it will be helpful for me to formulate the research problem
- 3) I can have experience for project based application development

I request you to consider my application for the said workshop and sanction registration fees of Rs. 2,950/- and OD for the said period.

I have attached information brochure for your reference.

I promise that I will complete all my academic activities and responsibilities.

Thanking You

Yours sincerely,
