Further, it aims at creating a pool of organized, trained and motivated youth with leadership qualities in all walks of life, who will serve the Nation regardless of which career they choose. Needless to say, NCC also provides an environment conducive to motivating young generation to join the armed forces.

The cadets of MMCOE-NCC nicely explained the students the aim and motto of NCC and developed an urge in them to join NCC. Looking at the response for recruitment it can be said that this orientation programme was successful.
